

Bardess Group Ltd. Named Qlik Enterprise Partner of the Year

Recognized for Outstanding Achievement, Innovation and Joint Customer Success with Qlik

RANDOLPH, NEW JERSEY, USA, March 10, 2022 /EINPresswire.com/ -- [Bardess](#) Group, Ltd., an award-winning data analytics and data science consulting firm, announced today they have been recognized by Qlik as the Enterprise Partner of the Year.

Presented annually, the awards recognize the Qlik partner community for excellence in several different categories both on a global scale and within key regions.

Bardess®, an Elite Qlik Partner, has won nine major awards from Qlik in the past eight years, including a sweep of the Global Solution Provider of the Year, the Global Partner Innovation award and North American Solution Provider of the Year in 2019.

“Over the past year partners readily embraced our Cloud Services program and championed our vision of Active Intelligence, helping customers across the globe unlock efficiencies, identify opportunities and transform through data and analytics with Qlik,” said Poornima Ramaswamy, EVP of Global Solutions and Chief of Staff to CEO at Qlik. “As we navigated shifting market conditions over the last year together, the value of our partner ecosystem shined through, and we’re thrilled to celebrate our mutual success.”

“Bardess has an elite team of experts with a deep understanding of the data issues faced by Fortune 500 and leading mid-sized businesses,” said Bardess CEO Barbara Pound. “That’s why we won this award, and that’s why our clients keep coming back to us. Our motto is People Helping People with Data, and we’re always looking to push boundaries and drive value for our customers through innovative methodologies,, strong expertise and integrated, enterprise-class solutions like the Finance Accounting and Reporting Suite.”

About Bardess

Bardess empowers clients to make smarter and faster business decisions by creating exceptional value within their data. In 2022, Bardess celebrates 25 years of helping hundreds of Fortune 500 and mid-sized companies integrate enterprise-class solutions that enable digital transformation.
