Da'Hair Spray

Da'Dude produces a range of hair products for men. The majority of which were developed and manufactured in Sweden. YoungHair AB Ltd is an expert in the hair and customer care industry with more than 55 years of experience. It started in 1965 as a salon owned by Angelika's mother. The tradition and passion were passed on to Angelika who took over the business in 2013.

“

I am thankful that Ankorstore allows small businesses to make small wholesale orders with favourite payment terms.”

Gary Young

Not satisfied with the products used in the salon during that time, Angelika and Gary were inspired to develop their product line. They wanted to give their customers a quality and exceptional experience. Thus

was the birth of YoungHair AB Ltd. The products currently available on [ankorstore.com](https://www.ankorstore.com) are Da Hairspray (men's hair spray), Da Salt Water Spray, and Da Beard Oil.

Da' Dude owners are excited to be a part of this dynamic commercial concept that allows better accessibility for small businesses who wish to make small wholesale orders. They are looking forward to making the rest of the product line accessible via [ankorstore.com](https://www.ankorstore.com) in the future.

YoungHair is committed to creating affordable and practical hair products. Their goal is to ensure that customers are satisfied with their products.

Products are available through their official site <https://younghair.net>, at [Da Dude store](#) on Amazon.co.uk, and now at Ankorstore using the €100 off unique code: LIFT-WWWR36UA
