*Opportunities to address distinct customer channels through innovative technology and customer-focused solutions creates expanded growth potential in Texas*

AUSTIN, TX, UNITED STATES, March 10, 2022 /EINPresswire.com/ -- [Architectural Surfaces](#), a leading importer and distributor of natural stone, engineered stone and tile for residential and commercial applications, announces the acquisition of two companies in the Dallas, Texas market: [Stone Boutique](#) and [Allure](#).

Stone Boutique is a purveyor of iconic luxury natural stone. Focused on a superior stone-buying experience, slabs are offered through a cutting-edge digital process that's accurate, efficient, and engaging. Allure is a natural stone distributor offering unique, customer-focused solutions to benefit both clients and partners. The acquisition will allow Allure to continue offering exceptional products and service along with additional resources including access to more natural stone buying power, and an established quartz product line with the ability to expand deeper into the Texas market.

Patrick Dussinger, Architectural Surfaces CEO, says he's, "thrilled to bring the added benefit of a strong national partner to both Stone Boutique and Allure to help drive innovation and growth. We're excited to welcome both businesses to the Architectural Surfaces family and look forward to evolving together. We view the digital capabilities of Stone Boutique as a strategically important building block for a more robust customer experience, and the deep industry knowledge and relationships that Allure brings as opportunities for growth."
