

# Animation Design Software Market Report Study, Regional and Industry Analysis by 2029

*The global animation software market is expected to witness growth owing to increasing demand in the animation industry.*

PORTLAND, PORTLAND, OR, UNITED STATES, March 11, 2022

/EINPresswire.com/ -- An increase in the use of animation design software in movies and in the gaming industry drives [animation design software market growth](#). In addition, an increase in virtual reality (VR) animations for VR animation film-making fuels this growth.

However, the availability of open-source animation design software restraints the growth. The rise in usage of animation design software by emerging end-users is a major opportunity for market expansion.
