“The medical marijuana home delivery service was designed by a team of ecommerce experts and pharmacists to serve patients with debilitating diseases, like chronic pain, cancer and ALS,” said James Thibodeaux, PharmD, Medicis Pharmacy Manager. “This new service will offer Medicis patients the same home delivery

convenience provided by Amazon and major pharmacy chains.”

All deliveries will be handled exclusively by Medicis employees in company-owned delivery vehicles outfitted with cutting-edge safety features, including GPS tracking devices. For a limited time only, this service will be offered free of charge to patients.
