

AI-LATAM Announces Stellar Speaker Lineup for Panama Artificial Intelligence Hybrid Event

AI-LATAM is the largest tech event series in Latin America with shows in Panama, the Dominican Republic and Miami.

JUPITER, FL, USA, March 12, 2022 /EINPresswire.com/ -- [AI-LATAM](#), the largest A.I. event series covering Latin America announces a stellar lineup of speakers for the March 23-26 event located in Panama City, Panama. This hybrid event will feature speakers from around the world both physically and virtually. Registrants and attendees will receive copies of the presentations. <https://tinyurl.com/AI-LATAM-Zoom> is the registration link and speakers and session information can be viewed there.

“I am also very proud of the fact that we also have a full program of A.I. solutions for small to medium sized businesses (SMBs) so this is a very helpful show for any executive. We cover voice AI, vision AI, NLU/NLP/ML, Smart Cities, Industrial AI, Sales AI, Educational AI, the Metaverse, Edge AI, Logistics AI, and more”, he concluded.

The Panama event this year is a hybrid event and is collocated with Expocomer, a 32-year-old event that this year expects 15,000 attendees and approximately 1000 exhibitors. Expocomer has a long history of innovation and business development throughout the LATAM area.
