At its core, Heaven's Revenge is a feature film that follows Heaven Bailey (LaNease Adams, The Bachelor), Jackson Davis (Marcus Nel-Jamal Hamm, The Black League of Super Heroes), and Detective Malves (Robert Peters, Ocean's Eleven), in a love affair gone awry. Heaven feels her life is going well, until she meets Jackson, a professional wrestler, who convinces her to let him "show her what love is."

Against her instincts, she follows his lead, and the love affair begins as a magical and blissful moment in time for the pair. Heaven falls madly in love but, just as things are ready to take a more serious turn, Jackson abruptly ends the affair - sending Heaven into a tailspin of anger and

depression. Heaven decides to get her revenge on Jackson and “makes him pay.” This film has been categorized as a modern day “Misery” meets “Fatal Attraction.”

“When developing ideas for Heaven’s Revenge, we intentionally wanted to make a movie with a diverse cast, so that everyone would want to watch,” says LaNease. “We were able to cast a number of exceptionally talented and diverse actors. It’s been such an incredible experience and we look forward to hearing what audiences have to say about the film.”

To ensure diversity in the film, Heaven’s Revenge boasts an incredible cast, including Earnest Harden Jr., Declan Joyce, and Aly Ward Azevedo, just to name a few.

Additional Producers of Heaven’s Revenge include Kristen Lowman (Lofi Productions) and Marcus Nel-Jamal Hamm (Urban Renaissance Entertainment), with Oscar-winner, Paul Stewart (Insecure, Poetic Justice, Hustle, and Flow) acting as Music Supervisor.

Heaven’s Revenge can now be viewed on Tubi and Amazon and is already being touted as being one of the most enthralling roller coaster rides of love, deception, and torture. The film was selected as Quarter Finalists in the New York International Film Festival for Best Independent Film, Best Acting Duo, and Best Thriller. This is surely a film that viewers don’t want to miss.
