

WB Development Partners & New Era Companies Announce 7th Inpatient Rehabilitation Hospital

Nobis Rehabilitation Partners will manage the rehab hospital located in San Antonio, Texas

SAN ANTONIO, TEXAS, UNITED STATES, March 15, 2022 /EINPresswire.com/ -- [WB Development](#) Partners and [New Era](#) Companies, two innovative companies partnering together in the healthcare development sector, are developing a new 48-bed inpatient rehabilitation hospital to be called San Antonio Rehabilitation Hospital. The

hospital will be located in the South Texas Medical Center at 8903 Floyd Curl Dr. in San Antonio and will have modern private patient rooms, advanced technologies, and best-in-class rehab services. The San Antonio Rehab Hospital is the 7th inpatient rehab hospital that WB Development and New Era have partnered together to develop. All 7 hospitals are managed by [Nobis Rehabilitation Partners](#).

San Antonio Rehabilitation Hospital

“

Our inpatient rehab hospital will care for patients across Bexar County.. the hospital team will collaborate with the physician community to develop the best inpatient rehabilitation programs”

*Daryn Eudaly, Founder & CEO
New Era*

People with debilitating illnesses and injuries such as stroke, brain injury, and other complex neurological and orthopedic diseases and injuries will be cared for under the management of Nobis Rehabilitation Partners. A comprehensive team of physicians and therapists will customize each patient’s intensive rehab program with an interdisciplinary rehab team approach during their inpatient stay.

“Our team is excited to develop a new rehab hospital in the

7th largest city in the US,” said Daryn Eudaly, CEO and Co-Founder of New Era Companies. “Our state-of-the-art inpatient rehab hospital will care for patients across Bexar County and South Texas. The hospital team, managed by Nobis Rehabilitation Partners, will collaborate with the

physician community to develop the best inpatient rehabilitation programs needed.”

The San Antonio Rehabilitation Hospital is planned to open in the 2nd quarter of 2023 with construction commencing in April 2022.
