Cobra Goes "All In On AI" by Adding Deeper Artificial Intelligence Tools through Partnership with Reveal

“We’ve seen increased need from our clients for battle tested AI tools to help with the growing tide of investigations, data breach reviews, and due diligence,” said Cobra CRO, Doug Kaminski. “Reveal’s platform will help them get the answers they need, quickly and accurately, to produce better outcomes.”

“

We applaud Cobra for addressing their clients’ needs and taking full advantage of Reveal’s platform to extend their value for clients in new and exciting ways.”

*Wendell Jisa, founder & CEO
of Reveal*

Cobra’s approach to the modern challenges of data driven decision-making to reduce both the cost and risk of compliance, investigations, and litigation makes this partnership a natural fit. Reveal’s out-of-the-box, pre-trained AI models combined with Cobra’s Value Sourcing methodology and experienced team of attorney project managers make it easier for clients to harness the power

of AI throughout any legal task.

“Accessing the best AI-powered solutions is a must-have for corporate legal departments to effectively manage and solve the challenges that come their way,” said Wendell Jisa, founder & CEO of Reveal. “We applaud Cobra for addressing their clients’ needs and taking full advantage of Reveal’s platform to extend their value for clients in new and exciting ways.”
