

# FinTech Data Innovex and YKOFX Offer Historical Market Data to Spur Innovation among FinTech Startups

*YKOFX will provide FinTech Data Innovex startups with free access to data to promote technological innovation that will benefit the industry*

YOKOHAMA, KANAGAWA, JAPAN, March 14, 2022 /EINPresswire.com/ -- [YKOFX](#), a Pan Asian exchange with innovative and robust product suite that provides its clients with some of the best trading facilities, together with FinTech Data Innovex, a nonprofit organization whose mission is to promote entrepreneurship and innovation globally in the financial technology sector, today announced a new data agreement. YKOFX will provide FinTech Data Innovex startups with free access to technological innovation that will benefit

"We formed this agreement with FinTech Data Innovex because we strongly believe in supporting entrepreneurs in the global [FinTech community](#)," said Daishin Kazuharu, YKOFX Managing Director of Market Technology and Data Services. "The futures industry was built on innovation and we are excited to help startups make advancements in areas that will positively impact our customers."

"Access to the kind of deep, quality data that YKOFX is making available, gives startups in our program a tremendous leg up in identifying problems to solve and in building products to the robust standards of large financial institutions," said the Executive Director of FinTech Data Innovex.

Unique among organizations supporting startups in the burgeoning global FinTech ecosystem, FinTech Data Innovex facilitates free access to financial data and infrastructure for up-and-

coming startups. FinTech Data Innovex takes no fees and requires no equity from startups that participate. The program includes:

- A robust set of data feeds and APIs from a wide array of data partners
- Cloud hosting from industry-leading infrastructure partners
- Membership in a vibrant, global FinTech community
- Free access to financial data and infrastructure
- Tools and innovation globally in the financial technology sector
