

Packing Service Inc. Expands Crating Services Across The Nation

Brings the benefits of its Custom Crates, boxes and more to a wider clientele in the country Packing Service Inc. has expanded its crating Service across the country, thus helping a wider customer base access its renowned Custom Crates and impeccable Service that have made their mark.

The company that was established in 2003 has consistently grown towards being the gold standard for the shipping and moving industry in the country. At the heart of its renowned packing and moving, solutions are its commitment to offering nothing but the best to its clients. This legacy has resulted in 97% customer satisfaction and their reviews are a testament to high standards of Service people can expect from Packing Service Inc.

In fact, Wooden Crates are a class apart and have ticked the right boxes for clients. It's one of the many top-notch solutions from the company that includes professional packing and wrapping that is safe and secure. Packing Service Inc. also offers clients the best quality moving supplies and handles the loading of packages into trucks. Palletizing solutions where the items can be strapped to pallets also have many benefits for clients.

Packing Service Inc. Expands Crating Service Across The Nation

Packing Service Inc. can handle the task of shipping anywhere in the country or internationally for that matter. And now it is also taking its highly-regarded crating Service all over the Nation. It is interesting to note that the company builds Wooden Boxes on-site for any item of clients' choices. They can be customized for furniture or boxes at home, or machines and equipment on commercial premises.

These custom boxes can be created in practically any shape or size to be tailor-made and cater to clients' requirements. Packing Service Inc. then handles the task of loading and shipping these Custom Crates anywhere in the country or internationally for that matter. Each of these tasks, from building the crates to shipping them is handled without causing any inconvenience to clients and on time.

As always, Packing Service Inc. assures clients of the quality of materials it uses. These crates are built using only top-quality wood. It means that they offer the optimum level of protection for clients' precious belongings. From antique furniture to other fragile belongings; they are best suited for varied items. The company also works with an experienced team of professionals, who are able to handle these tasks effectively every single time.

It is this level of professionalism and service that has made Packing Service Inc. the leading choice for clients. It offers a wide range of Crating Services including electronics and IT equipment crates to domestic crates and commercial crating, floating crates, sculpture transport crates, art crates, animal transport crates and so much more. And now these services are

available to clients all over the Nation.

Those interested in making the most out of these Custom Crates and services can reach out to Packing Service Inc. at www.packing-service.com/ and get started.
