Permit Expediting Services for Construction

Permit Expediting Services in Washington DC & Maryland

DCRA Permit in Washington DC area

- Tower Crane
- Underground Storage Tank
- Retaining wall

The rationale behind Outsourcing Construction Permitting Process:

- On-time Delivery – Hiring a permit expediting company facilitates easy review during redesigning, assuring time-efficient permits for residential and commercial projects as well as remodeling/renovation approvals.

- Seamless Paper Work– Professionals streamline paperwork for accurate results and manage all submittals and paperwork, coordinating amongst cities, jurisdictions, and local government bodies like DC Water, DDOT, DOEE, etc.

- Cost Saving – DC permit expeditors are familiar with the [DCRA building permit](#) process, codes and environmental issues and have knowledge about DCRA Permit Fees, Postcard Permit, and project criteria about jurisdiction for avoiding delays in project approval.

Process of Building Permit Expediting Services:

- Assessing submittal requirements and ensuring correct documentation
- Accepting submittal
- Ensuring that plan meets building city codes and ordinance
- Paying the fees
- Approving final inspection

Time for Seeking Approvals:

- Small project within 5 days
- Single-family home within 2 weeks
- Single-family additions within 2 weeks
- Commercial projects within 3 weeks

An experienced permit expeditor of Tejy Inc. mentioned – “We advise architects, engineers, and building owners to ensure approvals and play a crucial role in the revision of design drawings, blueprints and architectural reviews as per the zoning codes of the county - DCRA. When DCRA building permits, paperwork and time become a constraint, we provide the solution for

Recent Permit Project of Tejy Inc. near to White House

construction requirements.”

Tejy's Work Process for Acquiring Commercial Construction Permits:

Whether you are a builder, architect, engineer, designer, or entrepreneur seeking building permits, Tejy Inc. helps you to meet all permit requirements.
