

Mann Eye Welcomes New Eye Surgeon to the Family

Alex Hacopian, MD, will be joining the Houston surgical team in April of 2022 and will see patients at the Fannin Street and Humble locations.

HOUSTON, TX, UNITED STATES, March 15, 2022 /EINPresswire.com/ -- The esteemed team of eye specialists at Mann Eye Institute is growing! Alex Hacopian, MD, will be joining the Houston surgical team in April of 2022 and will see patients at the Fannin Street and Humble locations.

Meet Dr. Hacopian

Dr. Hacopian is a comprehensive ophthalmologist specializing in Advanced LASIK, Refractive Lens Exchange and complete eye care, including Corneal Cross-Linking for Keratoconus as well as glaucoma treatment with the latest advancements in MIGS (Minimally Invasive Glaucoma Surgery). He also performs Laser-Assisted Cataract Surgery with premium lenses.

Alex Hacopian, MD

Born and raised in Houston, Dr. Hacopian attended the University of Texas at Austin, where he graduated with honors with degrees in Neurobiology and Psychology. He graduated from medical school at the University of Texas at Houston before completing an ophthalmology residency at the George Washington University in Washington, DC, where he served as chief resident his senior year.

Before returning home and joining the Mann Eye team, Dr. Hacopian served on the surgical team at Abilene Eye Institute, performing refractive and cataract surgery. "I'm so proud and honored to get to serve the people of Houston, my hometown," said Dr. Hacopian. "I look forward to developing relationships with my patients so I can provide the excellent care they deserve."

Dr. Hacopian is a Board-Certified Diplomate of the American Board of Ophthalmology and a Fellow of the American Academy of Ophthalmology.

I'm so proud and honored to get to serve the people of Houston, my hometown. I look forward to developing relationships with my patients so I can provide the excellent care they deserve."

Alex Hacopian, MD
