

EY Entrepreneurs Access Network's second cohort of Black and Latino entrepreneurs includes Don Weobong from eLeaP.

The Entrepreneurs Access Network supports Black and Latino entrepreneurs to help further grow their companies and close long-standing disparity gaps

LOUISVILLE, KY, USA, March 15, 2022

/EINPresswire.com/ -- Ernst & Young LLP (EY US) recently announced the 2022 cohort of the EY Entrepreneurs Access Network (EAN). A nationwide business accelerator, EAN is a

comprehensive, executive program designed to support Black- and Latino-owned companies as they transcend barriers and scale their organizations.

The program includes select entrepreneurs across the US, including Don Weobong, President of Telania | eLeaP which is based in Louisville, Kentucky USA.

“

I am so humbled by this opportunity. I know our eLeaP team is excited to leverage the learning, networking and experience of a global giant like EY to help us continue to provide outstanding service”

Don Weobong

eLeaP provides a [learning management system](#) and a [performance management system](#) for medium to large organizations all over the world.

Black and Latino business owners who applied for the program were evaluated based on their leadership style and business acumen, in addition to their company's culture, level of innovation and potential for scalability.

For more information, please visit <https://ey.com/EAN>
