Presale Details:

Allocation of the OAH coin is very decentralized, as 15 percent of coins are to be allocated in presale while the rest are being allocated via various other methods. This high degree of liquidity makes the cryptocurrency stand out and causes an impact on the social world. Moreover, investors have shown huge interest in the cryptocurrency airdrop and bounty program signifying

its prospects. Presale is categorized into three phases:

1. Phase 1 – 5% @ 0.25 USD
2. Phase 2 – 5% @ 0.50 USD
3. Phase 3 – 5% @ 0.75 USD

The first phase aimed at allocating 5,500,000 OAH coins at the rate of 0.25 USD. Starting from 7th January 2022 to 11th February 2022, the first phase lasted for 36 days. Mention: After the conclusion of the first leg, the second phase is currently ongoing.

In the second phase, 5,500,000 OAH coins are up for allocation at the rate of 0.50 USD. Starting from 12 to February 2022 to 14th March 2022, lasting for 29 days. The second phase has ended with very impressive participation of new volunteers and investing volunteers.

In the last phase of the OAH presale, 5,500,000 OAH coins are to be allocated at the rate of 0.75 USD. Starting from 15th March to 10th April, lasting for 25 days. The presale is in currently in last phase, offering a potential future opportunity.

The entire process of presale will last for 90 days posing an excellent opportunity for those interested in diving into the world of cryptocurrency and blockchain technology. And for OAH, being a system driven by a noble cause of helping elderlies, one can contribute their bit by just taking part in the presale of OAH coin.

After completion of two phases, the heart-warming response of volunteering investors has been

The banner features a background of Bitcoin coins and a digital price chart. In the top left corner is a small circular logo with a blue and white geometric design.
