PHOENIX, AZ, UNITED STATES, March 16, 2022 /EINPresswire.com/ -- Local realtor, Alexia Bertsatos is hosting a public event benefitting the Valors Veterans Community AZ (VVCAZ) on April 9th, 2022, at The VIG at McCormick Ranch.

"I completely support the mission of VVCAZ, which connects veterans with veteran resources. There are so many veterans in Phoenix, and an organization like this is important to our city," said Bertsatos. "I am excited to welcome the community to The VIG and invite them to learn more about the great people and things happening in our community."

Bertsatos is taking her real estate career in a new direction and is launching a new brand. She will reveal these at the event. "This is also an opportunity to educate consumers about real estate growth in the city and introduce attendees to a worthy local non-profit," Bertsatos shared.

Currently working with national real estate celebrity, [Ryan Serhant](#) and his team on expansion and branding, Bertsatos, is developing a real estate practice that highlights all that is amazing and beautiful about the Phoenix Metro area while promoting it globally. "I am so excited to shine the spotlight on this amazing city," Bertsatos said.

Recently introduced to VVCAZ, Bertsatos was especially excited to work with Executive Director, Ronaldo Gonzalez. He is the leader behind the non-profit, which was created to support veterans with employment, education, and activities. Gonzalez is a veteran; he knows both how much they give to this country and how much they need the resources to get back on their own two feet.
