Bringing in a message of hope, self-discovery, and courage with Blooms: A Magnolia Creek Novel

LOS ANGELES, UNITED STATES, March 22, 2022 /EINPresswire.com/ --

Sometimes, one courageous step is all that it takes to change our life. If you are responsible for the success of a major change, that means you have been brave enough to make a bold step. Regardless of your status or position in life, if you don't bring courage to your role, you are undermining the significant changes and likelihood of success in your life.

This is how it was for Annie Reed in Terri Depue's "[Blooms: A Magnolia Creek Novel](#)." The story revolves around Annie taking a leap of faith by leaving her family and friends behind in Seattle to move to Magnolia Creek, a small town in rural Virginia, and the house on Smith Lane which has many beloved but distant childhood memories.

“

Her writing is clean and crisp, making readers feel as if they too have been "transported to another time."

Kat Kennedy from The US Review of Books

As Annie begins her adventure of self-discovery, she finds herself with a somewhat unconventional feeling. But what holds Annie in her journey is coming across a ready-made family in the form of three older, but quite entertaining women, providing her with a unique perspective in life, love, faith, and family. As she prepares for the incredible journey, she begins with that one courageous step into the unknown, nervous and excited of what awaits her with this very decision.

"This is a story of new beginnings. In Annie, the author creates a delightful character who decides to go back to the small town she loved as a kid when her life is upended in Seattle. Her courage in taking on her grandmother's large farmhouse and tending the property gives readers a strong female character who carves out a life for herself in Magnolia Creek." --- The US Review

"Blooms" is Book 1 of what will be a GREAT Magnolia Creek series by new author Terri Depue. I LOVED this story and couldn't put the book down. It is an easy-to-read storyline that has such a sweet sense about it. The characters are very well developed, and the style makes it easy for the reader to envision the picture that the author is painting. The main character, Annie's courageous decisions lead her to a place in life that she could never have even dreamed could exist. This romantic, inspiring story is a must-read for anyone looking for a good book. I can't wait for the next book to come out." --- Goodreads review.
