"Coincade is a blockchain gaming ecosystem for everyone! It's got NFTs with multiple utilities, crypto worth hodling, easy to play nostalgic arcade games, community driven by an upcoming

DAO and the element that brings them all together - MetaCade, our own gaming focussed Metaverse. Our members will not only enjoy being a part of the community, but they will also earn tremendous rewards” said Suramya Nevatia – Founder & Kingpin, Coincade Studios

“This is a passion project. We both grew up in India in the 90’s when video gaming had started to become accessible. Being gaming natives, we started building Coincade with the simple approach of: Make it run, Make it fun. To create true ownership, each RetroRacer NFT incentivizes every type of crypto enthusiast from gamers and hodlers to future MetaCade citizens.” added Jai Bahal – Founder & Captain Underappreciated, Coincade Studios

With a Public Mint price of 0.2 ETH, a limited set of Whitelist spots have been opened on [Discord](#). Savvy NFT enthusiasts and community members can Whitelist themselves and directly connect with the team on the platform.
