/EINPresswire.com/ -- Chief Executive Officer of ESPOIR Youth Programs, Inc., [Samarth Joseph](#), has confirmed the news of a sequel being released to her hit self-discovery book, 'It's Not Over Yet.'

Samarth Joseph's official website has confirmed that there is going to be a part two and three for her book, "[It's Not Over Yet!!](#)"

The founder and Chief Executive Officer of ESPOIR Youths Programs, Inc. published her first part of the book in 2021. Her book, 'It's Not Over Yet!!!!' has received worldwide love and recognition from fans. In the book, Samarth explains how God has changed her life and how He gave her a second chance at life.

"The book also discusses how you can see opportunity in every difficulty and how failure builds character. It stresses the importance of believing that you have what it takes to win the race of life, and it is crucial to win the race mentally before you win it physically. eliminate," Samarth quoted on her official website.

Since founding ESPOIR Youth Programs Inc., Joseph has taught at various educational institutions and spoken at numerous events, including "Becoming One with the Environment" at the United Nations Headquarters in New York City, hosted by the Global Third Way. "I have been blessed by God to have been able to help countless people get an education and turn their life around. As a result, I founded ESPOIR YOUTH PROGRAMS, Inc. on May 07, 2012, to provide educational services to youth in the United States and abroad. ESPOIR, which in French means "hope," has been spreading plenty of hope in the U.S. and abroad, and that is the message I focus on in my book. Have hope and look forward to a bright future," Joseph quoted in her official website.
