

# Lee Wilson Releases Fourth Book 'Was Jesus Married?' Sourcing New Testament

NASHVILLE, TENNESSEE, UNITED STATES, March 17, 2022

/EINPresswire.com/ -- [Lee Wilson](#), a well-known

relationship and marriage coach, authored his fourth book titled "[Was Jesus Married?](#)" citing scripture evidence from The Bible's New Testament that Jesus Christ was married despite the long-held Christian belief that Jesus was single.

“

This book will show evidence that Jesus was married from the New Testament, but it's important to note that Jesus being married does not question or diminish his divinity.”

On the first day of its release, "Was Jesus Married?" ranked among Amazon's Top 50 in the category Christian Bible History and Culture, ending up at number 17 at the day's end.

"The claim that Jesus was married has equal footing with the claim that he was single," said Wilson. "This book will show you evidence that Jesus was married from the New Testament, but it's important to note that Jesus being married does not question or diminish his divinity."

Wilson details the motive behind the portrayal of an unmarried Jesus that has been traditionally ingrained by

Christian teachings and leaders and passed on to believers in this 215-page hardcover book published by [Grace Centered Books](#).

"Lee Wilson brings the historical Jesus into focus on a matter whose time has come with eye-opening information that skeptics should consider before forming an opinion," stated Vincent Mallozzi from the New York Times in a review of "Was Jesus Married?"

Pepperdine University's James Russell Lingerfelt, master of theology, stated the book is strongly sourced and researched in his review, that Wilson is among the first mainstream Christians to take an unbiased look on the subject.

"Strongly sourced and researched, Wilson has created something eye-opening, being one of the first mainstream Christians to take an unbiased look at the long-held presumption that Jesus was not married," Russell stated. "I challenge you to read this book and try to see Jesus the same way you saw him before!"
