“Excellent experience. The staff is very friendly and knowledgeable. There are lots of options to choose from. After selecting my products a member of the team came to my house and took the exact measurements and I was provided a fair price. All questions and concerns were answered. I am very happy with the product and the installation. Will shop here again. Thanks!” -Edith M.

“I recently purchased some Armstrong Vinyl Flooring for a bathroom remodeling project from Barry at Ches-Mont, which he had to order. The material came in on time and was everything that I had expected and more. Subsequently, I returned to Ches-Mont to see if they had any vinyl flooring remnant that I could use in the bottom of our vanity cabinet. Once again, Barry helped me out! Ches-Mont has a huge selection of flooring materials and from my own experience provides superb service.” -Swallow R.
