

Desert Web Hosting is Giving Away Free Web Hosting in Celebration of New Location

Desert Web Hosting has found a new home at 890 W Grant Rd Suite D-2, Tucson, AZ 85705, and to celebrate, they are giving away free web hosting accounts

TUCSON, AZ, US, March 18, 2022 /EINPresswire.com/ -- Desert Web Hosting is Giving Away Free Web Hosting in Celebration of Their New Location.

When someone wants a hosting provider that offers the highest functionality for the least cost, Desert Web Hosting (DWH) is considered one of the top choices. Desert Web Hosting is also viewed by many as the client's digital partner. The [Tucson web hosting](#) company offers a wide range of flexible packages and services that are fully compatible with any specific needs. DWH is giving away free web hosting in March to anyone who purchases a website.

“

We're excited about the new location and look forward to new customers”

*Rod Atwood, Co-Owner of
Desert Web Hosting*

DWH is considered by many in the Tucson area as a reliable and recommended web host, web design, and SEO company.

Choosing a web host is indispensable for developers, bloggers, small business owners, and more prominent companies.

"Deciding upon the right host will undoubtedly be an impressive boost to a business. Other hosting options could lead to a lot of head-scratching and unnecessary expenses," said Rod Atwood, Co-Owner of Desert Web Hosting.

"We're excited about the new location," Rod went on to say.

The DWH team of professionals creates a website to help businesses grow at a lower cost.

"When looking for a web host with an excellent price/performance ratio, DWH is very comprehensive and offers various hosting packages for any size business, award-winning web design, and highly-rated [SEO services](#)," Rod continued.

"DWH is a popular digital media company for some very good reasons," Rod went on to say.

Desert Web Hosting has a reputation for covering the small details of setting up a client's account.

"DWH also provides advanced integrations with all the marketing services and tools that a client needs to present an attention-grabbing business website," continued Rod Atwood.

"The technical features of web hosting can be confusing for beginners." Rod Atwood continued.

"Ambiguity is not the case with Desert Web Hosting. By using the services of DWH, we offer a dedicated and fully transparent team that will take care of the customer so that they can trust the maintenance to professionals," Rod went on to say.

"DWH works with any size of website," Rod said.

"Pricing, support, storage, and performance are critical features to consider when purchasing a hosting service," Rod continued.

"Desert Web Hosting offers both low-cost and high-end hosting solutions for clients. Several luxury features are offered at affordable prices, including transfers, upgrades, automatic backups, and free SSLs," continued Rod.

"No matter the website's size, Desert Web Hosting seems to have a solution for all businesses based in and around Arizona.

"Now is an excellent time to check us out, as Desert Web Hosting is giving away free web hosting to celebrate our new location. A customer can take advantage of this offer during the month of March 2022," Rod went on to say.

When Tucson businesses are interested in affordable web hosting, professional [Tucson web design](#), or SEO services, Desert Web Hosting should be able to help.
