

# TECKPERT CEO FEATURED ON POPULAR PODCAST

*Digital Transformation Podcast hosted by Kevin Craine features Adrian Esquivel to discuss his new book: The Future of the Workforce Is Now.*

MIAMI, FLORIDA, UNITED STATES, March 21, 2022 /EINPresswire.com/ -- Kevin Craine's Digital Transformation Podcast, a podcast hosting best-selling authors and innovative thought-leaders, most recently featured TECKpert CEO, [Adrian Esquivel](#).

In this [episode](#), Adrian Esquivel spoke in-depth about the future of today's workforce and technology featuring topics from the newly released book titled The Future of the Workforce Is Now. Kevin and Adrian spoke about the impacts of today's workforce changes, expectations when planning for the future, and the skills needed to be successful.

TECKpert CEO Featured on Popular Podcast

"Kevin was a great host! I am happy to share with other leaders what I have learned completing successful digital transformations with a technical contingent workforce," said Adrian. "I hope these insights can be useful to listeners to find ways they can begin to future-proof their organizations with the right technical talent and technology."

Kevin Craine is a professional writer and award-winning podcast producer. He "hosts best-selling authors, innovative thought-leaders and top-shelf executives all exploring the technologies, processes and people driving today's digital success" on the Digital Transformation Podcast with one-on-one interviews. The podcast was named a Top 5 Podcast for Digital Transformation and is available on all podcast platforms.

Fans of the podcast episode can request a free download of the Digital Transformation White Paper from the TECKpert website offering six stages of digital transformations to help leaders navigate these types of challenges.

The Future of the Workforce Is Now book is [available on Amazon](#) in Print, Audio and Kindle versions.

###

Business Summary: TECKpert is a minority-owned, small business designated, tech consulting and staff augmentation business providing solutions to supplement or build technical teams. Since 2009, our highly skilled digital talent has implemented transformational solutions for a variety of organizations, large and small. Our

talent is focused in providing solutions through web & software development, mobile development, IT & Cloud, Design & Creative, Marketing, and Data Science & Analytics. Our mission is to transform organizations with talent and technology. We are able to do this with the best talent available on our proprietary platform giving our clients the ability to scale-up or down, as necessary, based on needs of the project, contract and organization.

“

I am happy to share with other leaders what I have learned completing successful digital transformations with a technical contingent workforce.”

*Adrian Esquivel, Chief  
Executive Officer of TECKpert*
