The Victor Herbert Renaissance Project LIVE! is the world's only company exclusively dedicated to reviving the work of Victor Herbert, an Irish American composer, conductor, musician, and orchestration legend. Herbert indelibly influenced the foundations of the American musical theater by writing for and placing the full orchestra into the Broadway Theater Pit in 1894. Founded in 2014 by the company's Artistic Director Alyce Mott, a leading Herbert historian and librettist, and Music Director Michael Thomas, VHRP LIVE! is a registered 501(c)(3) corporation and is supported by generous funding from The Victor Herbert Foundation.
