□2.WWA

WWA (World Whisky Awards) is an international whisky competition organized by Paragraph Publishing (based in Norwich, U.K.), the publisher of Whisky Magazine.

The "Best of the Best" competition has been held every two years since 2001. Since 2007, WWA has been held annually as the WWA. Official bottlings with a clear manufacturer are only eligible for participation of the competition. Judging is based on blind tasting (a tasting method in which the brand name is not disclosed). This is well known as one of the most international competitions in terms of the whisky category.
