TRIRIGAWorld Hoted at MaximoWorld

Introducing TRIRIGAWorld and Expo a unique experience for IBM TRIRIGA users to interact with each other and the maintenance community.

FORT MYERS, FLORIDA, UNITED STATES, March 18, 2022 /EINPresswire.com/ -- Reliabilityweb.com® has announced the launch of the TRIRIGAWorld and Expo hosted at MaximoWorld-22, Reliabilityweb.com events, co-located with the APM-22, Asset Performance Management Summit in Austin, Texas August 9-11th with pre-conference activities on August 8th. Whether it be industrial operations or real estate portfolios[SD2] , intelligent asset management puts data and AI to work to optimize critical asset performance and automate enterprise operations.

TRIRIGAWorld includes learning opportunities and an Expo with IBM® TRIRIGA® subject matter experts, clients, and partners sharing current best practice, success factors, discussions, and demos on IWMS (Integrated Workplace Management Solutions), technology related to:

IBM® TRIRIGA® 101: Understanding the value of an IWMS and the key capabilities that drive operational excellence across your real estate portfolio.

Optimizing the space in your buildings

Creating the right workplace experience

Right-sizing your real estate portfolio in light of the pandemic and ongoing disruptions

Maximizing operations and maintenance efficiency

Managing and extending capital projects

Reducing your overall carbon footprint

Introducing the TRIRIGAWorld Awards, submit an abstract to be considered for the awards starting Monday, March 21st.
