

# Camera Leader VDO360 Announces 2022 Price Reduction Across Product Line

*While other manufacturers are struggling with production issues, VDO360 has all models in stock and ready for immediate shipment*

EDGEWATER, MD, UNITED STATES, March 31, 2022 /EINPresswire.com/ -- Our vision within the chip market was 20-20: Vision for the future is a quality often found within great companies. Having vision in the chip industry has allowed us to eliminate product shortages and we are passing that good fortune along to partners and end users. While other manufacturers are struggling with production issues, [VDO360](#) has all models in stock and ready for immediate shipment - with permanent price reductions on our most popular models.

- TeamCam – Was \$299, Now \$225
- CompassX – Was \$999, Now \$699

Having vision in the chip industry has allowed us to eliminate product shortages and we are passing that good fortune along to partners and end users."

*Dan Freeman*
