

USA Fibroid and Vascular Centers of Boston, LLC Achieves AAAHC Accreditation

USA Fibroid Centers & USA Vascular Centers—part of USA Clinics Group—in Massachusetts receives AAAHC accreditation indicating their commitment to superior care.

NORTHBROOK, IL, UNITED STATES,
March 18, 2022 /EINPresswire.com/ --

USA Clinics Group is proud to announce that its [USA Fibroid Centers](#) and [USA Vascular Centers](#) at 2308B VFW Pkwy, Ste. 300, West Roxbury, MA, have achieved full three-year accreditation through the Accreditation Association for Ambulatory Health Care (AAAHC).

Our team of experienced fibroid and vascular specialists have received national recognition for providing the most advanced and comprehensive treatment to patients.”

Founder and CEO Yan Katsnelson, M.D.

With over 6,100 clinics recognized, AAAHC Accreditation is the industry leader in ambulatory health care accreditation. Accreditation signifies that USA Clinics Group has met the highest national quality healthcare requirements and provided exceptional patient care.

“We are honored to have received AAAHC Accreditation at our West Roxbury suburban location in the Boston area,” said Founder and CEO Yan Katsnelson, M.D. “It validates our dedication to providing the greatest level of care to our patients,” said Founder and CEO Yan Katsnelson, M.D. “Our team of experienced fibroid and vascular specialists have

received national recognition for providing the most advanced and comprehensive treatment to patients.”

The latest Interventional Radiology (IR) technology is used throughout the USA Clinics Group's treatment spectrum, which decreases the cost, recovery time, pain, and danger to patients. Board-certified interventional radiologists at USA Fibroid and Vascular Centers employ medical imaging to guide minimally invasive therapies that diagnose, treat, and cure a variety of conditions including fibroid disease and PAD.

USA Fibroid and Vascular Centers are part of USA Clinics Group that includes USA Vein Clinics and USA Oncology Centers. USA Clinics Group offers specialized and personal care at over [100 clinics nationwide](#). The USA Group has consistently received national recognition for providing comprehensive evaluation and an evidence-based approach to treatment that results in consistent and better patient outcomes.

USA Fibroid Centers and USA Vascular Centers of Boston LLC in Massachusetts receives AAACH Accreditation

"By providing minimally invasive therapy close to where our patients live and work, we are able to provide an exceptional level of convenience and care, allowing patients to return home the same day," Katsnelson added.
