BOSTON, MASSACHUSETTS, UNITED STATES, March 22, 2022

/EINPresswire.com/ -- Inc. magazine revealed last week that Accelevents is No. 9 on its third annual Inc. 5000 Regionals: Northeast list, the most prestigious ranking of the fastest-growing private companies based in Connecticut, Massachusetts, Maine, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, and Vermont. Born of the annual Inc. 5000 franchise, this regional list represents a unique look at the most successful companies within the Northeast region economy's most dynamic segment- its independent small businesses.

"I couldn't be prouder of our team and all that we've accomplished these past two years to help organizations create meaningful connections and experiences through events," said Jon Kazarian, CEO and Founder of Accelevents.

The companies on this list show a remarkable rate of growth across all industries in the Northeast region. Between 2018 and 2020, these 124 private companies had an average growth rate of 208% percent, and, in 2020 alone, they added 5,010 jobs and nearly \$2.7 billion to the Northeast region's economy. Companies based in the New York City and Boston areas had the highest growth rate overall.

More about Inc. and the Inc. 5000 Regionals

Methodology

The 2022 Inc. 5000 Regional are ranked according to percentage revenue growth when comparing 2018 and

2020. To qualify, companies must have been founded and generating revenue by March 31, 2018. They had to be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2018 is \$100,000; the minimum for 2020 is \$1 million. As always, Inc. reserves the right to decline applicants for

subjective reasons.
