*Thrive Personalized Medical
Rehabilitation*

Thrive of Lake County is one of only 21 memory care facilities near the Libertyville area that is Joint Commission accredited out of the nearly 9,000 listed memory care facilities in the entire state of Illinois. Thrive of Lake County specializes in both long-term and short-term care for [memory care that includes dementia and Alzheimer's patients](#).

Thrive of Lake County's memory care program is considered the gold-standard in memory care facilities near the Libertyville area for a number of reasons. First, every resident undergoes a series of cognitive assessments upon admission given by Thrive of Lake County therapists to determine where they are in the disease process and to evaluate balance and mobility for safety. Second, Thrive of Lake County crew members conduct in-depth family interviews and collect family photos. In addition, they gather as many facts about

residents as possible to create a special LifeBio, which gives crew members enough information to help them relate to their residents' pasts since many residents do not function in the present.
