well as lead classes to help our customers earn industry credits.” Tim Feury, President of Extech Building Materials, added that “Extech has always made it a priority to help their customers in every way possible, and that includes product and application education. Among the 50 vendor sponsors in attendance, their Platinum sponsors include Cambridge Pavers and Sika. The Terre Company, Liberty Building Materials, and Gotham Architectural, all Extech Building Materials Companies, are also showcasing their different products and services.

## About EXTECH BUILDING MATERIALS

Extech Building Materials (<http://www.extechbuilding.com>) is the tri-state area's premier supplier of exterior building materials and services for professional builders, contractors and restoration

specialists. With 8 locations in the greater New York/New Jersey Metropolitan area and a large fleet of delivery vehicles, Extech is convenient for every contractor on every job site. Extech's services include its own sheet metal shop and architectural design services, as well as a full line of exterior building materials including brick, natural stone, cultured stone, pre-cast and decorative concrete. Additionally, Extech offers landscape supplies, concrete and brick pavers, fasteners and lumber as well as restoration and repair products, drainage, roofing, insulation and waterproofing. Professional builders, landscapers and contractors have come to depend on Extech for all of their job site needs.
