Ann Goodfellow delves into Jesus' life, teachings, to provide guidance to believers

GAUTENG, SOUTH AFRICA, March 22, 2022 /EINPresswire.com/ -- Aspiring to help readers gain a better understanding of Jesus Christ and help believers cultivate their faith, author [Ann Goodfellow](#) presents her treatise on "[The Character of Christ](#)." With this she reinforces and expounds upon the idea that God is love, making love Christ's defining characteristics, which believers should embody in their lives.

"The first characteristics of Jesus that we look at are the fruits of the Spirit, which were evident in His life in everything He said, did or lived." Goodfellow says. Thus, studying his life and the character he exhibited in the course of his days can provide readers with profound insights that they can utilize in the journey of faith. Goodfellow gives believers much food for thought. She cites Scripture, pointing out that Christ said: "My Father and I are one!"

According to Goodfellow, this means that the attributes Jesus displays must be the characteristics of God as well. So an understanding of "The Character of Christ" allows the faithful to become more godly. With this daily devotional, readers who seek to improve their Christian qualities will have an improved understanding of how to carry out the mission of becoming more Christ-like. Goodfellow outlines her Scriptural findings in an easy to follow and logical way, so believers can focus on certain godly qualities every week. Through this they can
