

# The Cyber Security & Cloud Congress Announces its New Speaker Lineup

*Cyber Security & Cloud Congress that is being hosted on the 11-12th of May 2022 at the Santa Clara Convention Center, CA, has announced its new speaker lineup.*

SANTA CLARA, CALIFORNIA, US , March 22, 2022 /EINPresswire.com/ -- The roster itself boasts a wealth of fantastic content, with high level experts addressing new and engaging topics that will shed light on some of the latest trends in the Blockchain world.

The [Cyber Security & Cloud Congress](#) will be part of [TechEx North America](#) which is made up of 7 co-located events. This includes the IoT Tech Expo, AI & Big Data, Blockchain, 5G, PLUS Techforge Media's Digital Transformation Week and the Edge Computing Expo.

With speakers from Visa, Tik Tok, American Express, and many more; this in-person conference is shaping up to be one of the best in the series.

Some of the new speakers include:

Bruce Kaalund - Lead Cybersecurity Analyst at Visa  
Roland Cloutier - Global Chief Security Officer at Tik Tok  
Kavitha Venkataswamy - Director of Digital Product Security at Capital One  
Sri Esha Subbiah - Director of Engineering at American Express  
Mel Reyes - CISO at Getaround

Alongside this, the event will be hosting over 5000 guests and showcasing over 150 engaging exhibitors and 150 speakers. With 7 events being co-located, this will be a fantastic opportunity for networking, especially at the exclusive network party.

2022 Speaker sessions include speakers from Visa, Tik Tok, American Express, and many more...

If you are interested in attending, you can now register for a free expo pass on the [Cyber Security & Cloud Congress website](#).
