

WORLD COLLEGE POKER ANNOUNCES PARTNERSHIP WITH MATT BERKEY'S SOLVE FOR WHY ACADEMY

Register Today for WCP Free Membership and the Spring Break Party Event powered by ClubGG to Win Prizes

LOS ANGELES, CALIFORNIA, UNITED STATES, March 22, 2022

[/EINPresswire.com/](#) -- [World College Poker](#) has extended our partnership with one of the premier poker training sites worldwide – Solve For Why Academy. Founded by high-stakes pro Matt Berkey, Solve For Why TV is a poker training site unlike any other. They teach players how to think about the game and equip them with all the necessary tools towards poker success and enjoyment of the game. S4Y's much sought after Home School video series (\$1,500 value) will be presented to the top 33 finishers for the Spring Break Party tournament dealing on Saturday, March 26th.

“

During college I began to take poker seriously. Events like WCP host didn't exist back then, but I would have given anything to learn and compete with my peers during that time.”

Matt Berkey

“During college I really began to take poker seriously,” says Matt Berkey. “It wasn't long before I graduated to higher stakes and eventually a career in this industry. Events like the WCP championship didn't exist back then, but I would have given anything to learn and compete with my peers during that time.”

The World College Poker platform was created to cultivate an online community of college players who have both passion and intrigue for the game. Its ultimate mission is

to elevate the college poker player's experience and offer burgeoning players a launching pad to up their game, strut their stuff, and cement their name in poker history.

In addition to Solve For Why Academy, WCP has partnered with many of the world's top poker training sites. They include poker superstar and master teacher Jonathan Little's - PokerCoaching.com, Chance Kornuth and Alex Foxen's - Chip Leader Coaching, WSOP Bracelet winner John Beauprez's - PLO Quick Pro, and high stakes phenom Patrik Antonius' - First Land of Poker (FLOP).
