

I'll Have The Chicken

Former Pilot Flies Readers in the Air with Anthology of Airborne Adventures

LONDON, GREAT BRITAIN, March 22, 2022 /EINPresswire.com/ -- "The night I continued landing that airplane in my sleep, and I continue to have dreams of flying problems to this day." — excerpt from *I'll Have the Chicken*. In this memoir, Captain Robert Kavula humorously recalls his life high up in the sky. *I'll Have The Chicken* started as just interesting stories the author has told relatives and closest friends. However, the tales are too thrilling not to write them into a book. *I'll Have the Chicken* is nothing but engaging stories that send readers inside the cockpit, mid-air, to experience the life of a flyer. The stories' range from Captain Kavula's journey to become a pilot, hilarious conversations among aviators, exhilarating incidents on the runway and in the air, and a "life-changing" flight with the phenomenal Neil Armstrong.
