The Global Flavors & Fragrances Market size was USD 25.68 Billion in 2020 and is expected to register a revenue CAGR of 6.6% during the forecast period.

NEW YORK CITY, NEW YORK, USA,
March 24, 2022 /EINPresswire.com/ --

The global [Flavors & Fragrances Market](#) size is expected to reach USD 41.98 Billion in 2028 and register a

revenue CAGR of 6.6% over the forecast period, according to a latest report by Reports and Data. Rising demand for cosmetic products and increasing usage of naturally flavored ingredients to enhance taste in food products is expected to drive market revenue growth during the forecast period. Increasing usage of flavors and fragrances in oral care products is expected to boost the growth of flavors & fragrances market in near future. Flavors and fragrances are widely used by manufacturers in oral care products to enhance the taste and odor of the product. Besides, increasing demand for essential oils with natural flavors to treat various skin disorders is expected to increase demand for flavors & fragrances over the forecast period. Furthermore, increasing research and development by flavors and fragrances manufacturers for the development of newest fragrant substances is expected to propel growth of the market. Increasing new cosmetic and hair care product innovations by cosmetic manufacturers is also driving the growth of flavors & fragrances market. Many start-ups are coming up with latest cosmetic and personal care products with organic ingredients that are increasing the adoption of flavors & fragrances.
