

# Partsmax Launches Its Redesigned Website

*An industry leader that offers thousands of auto body parts has unveiled a fresh look.*

MIAMI, FLORIDA, UNITED STATES, March 24, 2022 /EINPresswire.com/ -- There is an adage that says first impressions make lasting impressions. Thanks to the newly redesigned website of Miami-based [Partsmax](#), visitors to its website will not only have a good first impression, but an unforgettable one.

"Our site is designed easy enough for both professionals, and DIY customers," said Ricky Dorta, CEO of Partsmax.

Partsmax, a member of the Automotive Body Parts Association for 25 years (ABPA) and Specialty Equipment Market Association (SEMA), has served the South Florida community with quality collision auto parts at great prices for over two decades. The company has over 250,000 square-feet of warehouse filled to make sure it has the part customers are looking for.

Regarding Partsmax's newly redesigned website, it features a responsive design, which means that it automatically resizes and adjusts to perfectly fit the screen of the visitor to its website. Whether the website visitor is using a desktop, laptop, tablet, cell phone, or watch, the company's website adjusts for smooth and user-friendly navigation.

Partsmax's redesigned website also features sections and tabs such as the Home page, Catalog, Wholesale Orders, Tires, Careers, Blog, Contact Us, and ways to connect on social media.

Regarding its parts, Dorta noted that "Our parts are some of the name brand parts found in local auto stores. Check out our online selection on our newly redesigned website, and we are sure you will find the parts you need every time."

Dorta went on to note that customers can count on orders shipping and arriving on time. Partsmax recently added next-day shipping for three counties in Florida – Miami Dade, Broward, and Palm Beach counties.

"We add new accessories and parts to our inventory each week," Dorta revealed, before adding,

"And our customer support is second to none. We think customer service is king. We can also help you facilitate online tracking and handle any returns. We also have a favorable return policy that makes shopping at our online store a convenient experience."
