MIAMI, FLORIDA, UNITED STATES, March 25, 2022 /EINPresswire.com/ -- According to a recent study

(<https://www.invespcro.com/blog/same-day-delivery/>), over 80 percent of consumers

want same-day shipping. That's why representatives with [Partsmax](#) are proud to announce that it is now offering free next-day business delivery on all orders to three counties in Florida.

"We are very excited about this," said Ricky Dorta, CEO of Partsmax.

Partsmax, a member of the Automotive Body Parts Association for 25 years (ABPA) and Specialty Equipment Market Association (SEMA), now offers next-day delivery to Miami Dade, Broward, and Palm Beach counties.

The company's decision to offer next-day delivery to Miami Dade, Broward, and Palm Beach counties could prove to have perfect timing. According to the study noted previously, 68 percent of consumers said fast delivery would lead them to place an online order.

Regarding the reason next-day delivery is in high demand - because of the pandemic, more consumers went online to shop as stores were closed or at reduced capacity, and shoppers wanted to avoid indoor spaces.

"At Partsmax.co, you can buy online with confidence," Dorta stressed before adding, "We offer competitive pricing on import and domestic auto parts and accessories. You can choose from thousands of accessories and auto body parts. Choose from refurbished, aftermarket, high-performance, and rebuilt auto parts from trusted manufacturers."

When customers order, Dorta noted that Partsmax is committed to making sure every customer's part arrives safely and on time.
