“

Herbalists are telling their clients about the Free Extract Giveaway. It's a great way to try herbal supplements for immune health, energy, memory, mood, digestion, inflammation and hormonal balance.”

*Michael Van der Linden,  
Owner of Linden Botanicals*

Anyone can receive their choice of a healthy 20g Linden Botanicals extract (roughly 20 servings). Linden Botanicals is offering [14 healthy herbal extracts from which to choose](#). No purchase is necessary. Limit one extract per person and two extracts per address.

“Many herbalists and herbal medicine practitioners have been telling their clients about the Free Extract Giveaway,” says Linden Botanicals founder Michael Van der Linden. “It's a great way for health-conscious people to try out a new herbal supplement for immune health, stress relief, energy, memory, mood, kidney health, joint health, digestive health, inflammation, hormonal balance, or

detox/cleanse.”

Upon completing the challenge, participants can choose the Linden Botanicals healthy herbal extract they would like to receive. The company is offering 14 different healthy herbal extracts from which to choose. Available extracts include *Cistus incanus*, *Phyllanthus niruri*, *Cryptolepis sanguinolenta*, *Agarikon* (*Laricifomes officinalis*), *Andrographis paniculata*, *Cistanche tubulosa*, *Rosa rugosa* (rose hips), and *Semen cuscudae*. Available extracts also include *Vaccinium uliginosum* (bilberry), *Tulsi* (*Ocimum sanctum*), *Haritaki* (*Terminalia chebula*), *Paeonia lactiflora* (white peony root), *Polygala tenuifolia*, and *Bacopa monnieri*.

"The Free Extract Giveaway has been a huge hit," says Linden Botanicals Chief Marketing Officer Carolyn Daughters. "Our mission is to help people optimize their health so they can improve their day-to-day wellbeing. Anyone can choose which of 14 healthy herbal extracts is right for them. The extract they choose is free and U.S. shipping is free. It's a great way to try out a new health supplement."

The 14 herbal extracts available are some of the healthiest herbal supplements in the world. For example, *Phyllanthus niruri*, Linden Botanicals' flagship product, has 100+ bioactive compounds and possibly more health benefits than any other plant in the world. *Cistus incanus*, the company's best-selling product, offers well-studied antibacterial, antiviral, and biofilm-breaking properties and ameliorates cold and flu symptoms.

In addition, *Agarikon* mushroom is a strong anti-inflammatory and antibacterial agent that may provide a natural bioshield against infection and disease. *Andrographis* may reduce inflammation at the joints and lymph nodes and provide immune support in early-stage Lyme
