

The Mothers of Missing Tamil Children Welcome the U.S. Team to Tamil-speaking Provinces

We wish to commend the U.S. for recognizing that Myanmar's years-long repression of the Rohingya Muslim population is a "genocide."

NEW YORK, UNITED STATES, March 25, 2022 /EINPresswire.com/ -- The following press statement was made by the Mothers of Missing Tamil Children on March 24, 2022, to welcome the U.S. delegation to the Tamil Homeland.

Here is the statement:

US Under Secretary of State for Political Affairs Victoria Nuland

We the Mothers of Missing Tamil Children Welcome the U.S. Team to our Tamil-speaking Provinces.

We would like to warmly thank and welcome the U.S. team that is visiting the island: U.S.

“

We strongly hope that the U.S. will take the lead in forging an irrevocable solution that will protect the Tamils from both internal and external genocide.”

G. Rajkumar

Ambassador Julie Chung, U.S. Under Secretary of State for Political Affairs Victoria Nuland, and an interagency delegation whose senior members include Assistant Secretary of State for South and Central Asian Affairs Donald Lu, Principal Deputy Assistant Secretary of Defense for Indo-Pacific Security Affairs Amanda Dory, and U.S. Department of State foreign officer Geoff Chanin.

We wish to commend the U.S. for recognizing that Myanmar's years-long repression of the Rohingya Muslim

population is a “genocide.”

Also yesterday, the U.S. declared that Russians are committing war crimes by bombing hospitals

and destroying Ukrainian apartment buildings.

The United States has been committed to defending human rights throughout the world.

We recall that during the 2009 ethnic war, the U.S. tried to send ships to rescue Tamils from the “No Fire Zone.”

Then-U.S. Secretary of State Hillary Clinton visited the Tamil Nadu Chief minister Ms. Jayalalitha to send a signal to Sri Lanka that the U.S. is concerned about the plight of the Tamils.

We would further like to thank the United States for bringing a resolution to the United Nations Human Rights Commission to seek justice and accountability for Sri Lankan war criminals. We urge the visiting U.S. delegation to expedite the process of sending Sri Lankan war criminals to the International Criminal Court this year.

We strongly hope that the U.S. will take the lead in forging an irrevocable solution that will protect the Tamils from both internal and external genocide. That solution is a secure and protected autonomous Tamil state. It can be realized by holding a UN monitored referendum.

It is important to find a solution for these mothers of missing Tamils—and for the future ones that will inevitably follow if the current situation continues.

Thank you.
