

Lit Support 365 Welcomes New Chief Technology Officer

Lit Support 365 welcomes Oliver Stahel as Chief Technology Officer. Oliver will be responsible for overseeing the development and dissemination of technology.

IRVINE, CALIFORNIA, UNITED STATES, March 25, 2022 /EINPresswire.com/ -- [Lit Support 365](#), is proud to announce and welcome Oliver Stahel as Chief Technology Officer. Oliver will be responsible for overseeing the

development and dissemination of technology for external customers, vendors, and other clients to help improve and increase business. He will also deal with internal IT operations.

He joins the Lit Support 365 team from Backsy Networks located in Newport Beach, California.

“

His various interest and passions are really what makes him exceptional at what he does and we're happy that he's brought all that talent to Lit Support 365.”

Chris Waters, Founder and CEO of Lit Support 365

Opened in 2005, Backsy Networks has been providing high quality and proactive IT solutions and support to small and medium businesses for over 17 years.

Backsy Networks is only a part of Oliver's story. During his successful tenure at Backsy, Oliver has continued to build. With over 20 years of experience in IT systems design and support, trial consulting, and 100 + jury/ bench trials, Backsy has only been a continuation of a known quantity. The fact that Oliver is a true veteran in his field.

Born in Southern California the son of an electrical

engineer, it is no surprise Oliver found his way to a career in creation through meaningful, innovative solutions. That's what he has done for his clients over the years and that is what he brings to the Lit Support 365 team.

“It's almost an insult to just call Oliver a technology professional. He really is a renaissance man. He's always exploring or working on something. He really could have been a number of things

and is. A photographer, an engineer, a musician; I mean, I'd pay him to lead me on an international tour. His various interest and passions are really what makes him exceptional at what he does and we're happy that he's brought all that talent to Lit Support 365," said Chris Waters, CEO of Lit Support 365.
