“Martin Luther Campus is an experienced, lovely, caring community. I have had the privilege to work there for more than a year and am constantly impressed by the knowledge and commitment of my colleagues and the quality care provided to residents and patients at all care levels. For nearly 60 years, Martin Luther Campus has served seniors and others in our community - a legacy we are so very proud to share! In my daily work, I often interact with local area community members. Nothing is more touching than to learn that Martin Luther Campus has had a significant and positive hand in the care journey of their loved ones. What an honor to support a family in this critical and highly personal way.” -Kate B.

“I worked at Martin Luther Campus and got to experience the care center, senior living, and adult day program they have on campus. It's definitely been my favorite place I've worked. I enjoyed being part of a wonderful community where I made great relationships with both team members and residents. The team truly cares about the roles they play in the residents' lives, and making each day meaningful! I wouldn't hesitate in using any of their services for my loved ones!” -Kelsey B.
