“Patrick is the person I will deal with from now on. His customer service is excellent from the moment I walked in to the moment I drove my car out the lot he explained everything to me and got me the car faster than expected. His continuous follow-up was what I truly respect. He called me to let me know my engine was in stock when they installed it to my warranty. I was originally dealing with someone else that I wasn’t happy about never returning a phone call and never following up. I will be sticking to Patrick from now on even if I have to wait. Thank you so much Patrick for everything. I will be taking my car and my other 2 cars to you as well. Go see Patrick at Kia of Irvine you won’t be disappointed.” -Eddy L.
