About DiversiFi:

DiversiFi aims to be the premiere rewards token ecosystem on the Binance Chain by offering passive income & portfolio diversification, with an automated rotating rewards system featuring: BTC, ETH, DOT, MATIC, & AVAX. By holding DiversiFi Blue, holders will passively diversify their holdings every 30 hours.

The Binance network can be a beautiful space with solid projects and honest people building for sustained growth. We hope that DiversiFi will join the ranks of the respected top tier projects on BSC."

Carlo Garcia, DiversiFi Partner

DiversiFi Blue is the first token of a planned ecosystem of DiversiFi tokens. Early holders will have exclusive access to airdrops and whitelists for subsequent releases of DiversiFi - tokens that will work symbiotically with each other and collaboratively with others - to passively increase crypto portfolio diversification and token accumulation.
