We are requesting a legislative hearing in the House and/or Senate of the Pennsylvania General Assembly to present these findings in greater detail. It is our position that effective legislative reform for our election process cannot be accomplished without a full understanding of [what happened](#) in the 2020 election. Audit The Vote PA has worked tirelessly to expose what happened in the 2020 election, and we will continue to do so in hopes of restoring integrity to our election process.
