

# Tea Extracts Market Report 2020-2027 | Tea Extracts Industry Growth, Share, Analysis and Forecast by Emergen Research

*A substantial rise in tea usage and rise in awareness about health among consumers is the key factor boosting the market.*

VANCOUVER, BC, CANADA, March 28, 2022 /EINPresswire.com/ -- The [tea extracts market](#) is projected to reach value of USD 3.89 Billion by 2027, according to a recent analysis by Emergen Research. Health consciousness among consumers, higher affordability of tea than its alternatives, and increase in

consumption of soft beverages are some of the key factors driving the market. The recent mentionable rise in the consumption of tea has been quite beneficial for the market.

Rejuvenating characteristics of tea extracts that work as an instant energy booster have been driving the tea extracts market substantially over the last few years. Also, benefits in terms of weight loss and de-stressing offered by chemicals in tea extracts are some of the drivers of the market.

The global tea extracts market is expected to remain in a competitive and highly fragmented landscape, consisting of a large number of small start-ups, medium enterprises, and large conglomerates. Increasing demand for technological advancements and high diversification in the products offered provides high growth potential to new players.

Further Key Findings from the Report Suggest:

- In June 2019, Givaudan opened a new center for innovation in Switzerland. The workspace is spread over 12,000 square kilometers.
- Oxidation level for Oolong tea leaves varies from 8% to 85%, which plays an important role in

the taste. Some of the Oolong tea leaves, such as Se Chung, taste fruity and have aroma of honey.

• Same as Oolong tea, green tea also has its origin in China. Alongside China, the plant is cultivated in India also. Green tea tastes similar to vegetables, as it has an organic taste.

Furthermore, the report provides details about the new players entering the market, entry-level barriers and offers strategic recommendations to overcome those barriers to gain a substantial industry presence.

Key Players operating in the Tea Extracts industry are:

Teawolf, AVT Tea Sources Ltd, Frutarom, Givaudan, Finlays, and Taiyo International
