## ABOUT

John Blaze, better known by his artistic identity Rebellious 187 is a formidable force in the world of Rap. Born and bred on the streets of Chicago's Southside Wild 100s section, Blaze's life experiences sculpt much of his musical inspirations. As a young man the street life was more important than classwork but after surviving the perils of gang culture, Blaze was Influenced by Mr. Larry Hoover and his Growth and Development Ideology and thus began to apply those ideologies to his everyday life.

In 7th grade, the budding artist got a tape recorder for Christmas and a stereo for his birthday, laying the foundation of his future musical career. The artist used to go to the store and buy singles and rap over the instrumentals on the b side of the tape, fueling his passion for music. He remains inspired to keep big names like Scarface, Kool G Rap and other street/reality rappers alive by creating music with thought and meaning. Using the force of stories that bring listeners into a world they never knew existed through Go ILL Records, Rebellious 187 hopes to cultivate a platform and an avenue to save lives through music.
