

Metatron Launches Popular Art and NFT Auctions at NFTMintHouse.com

DOVER, DE, UNITED STATES, March 29, 2022 /EINPresswire.com/ -- Metatron (OTC Pink: MRNJ), a mobile and web technology pioneer having developed over 2,000 mobile apps, is pleased to announce the launch of NFTMintHouse.com, a full service NFT bureau and marketplace that provides popular art and NFT auctions. Metatron has generated millions of downloads for top-tier clients and at one time had more apps in the top 20 lifestyle on iTunes than any other company.

NFTMintHouse.com will be auctioning off authenticated painting and NFTs by famous artists like Miro, Picasso and Delacroix from private collections. A customer will be able to buy an NFT version of a famous work, as well as the underlying art, confirming authenticity and ownership in the metaverse and real life. Global art auctions hit an all-time high in 2021 with over 6.5 billion in sales, and NFT sales increased 40% in 2021 to over 1 billion.

“

NFT's are the future of real-world art authentication and provide owners increase capacity to capitalize on the digitization of their collections.”

Joe Riehl

Digital and traditional art, songs, videos, contracts, pdf's even trust deeds can be turned into NFT's which will make the customer the verifiable owner of the underlying asset but will also allow savvy collectors to seam-lessly market and resell the corresponding NFT. NFTMintHouse.com currently accepts crypto payments but will soon allow purchases in all major currencies via popular payment platforms.

“NFT's are the future of real-world art authentication and provide owners increase capacity to capitalize on the digitization of their collections.”

Joe Riehl CEO Metatron.

Metatron also released an energy boosting, consciousness enhancing mobile app called Focused Life Force Energy, for Android and soon Apple devices. With thousands of satisfied customers who already joined via the free trial program with no credit card required, the service has seen explosive growth. We urge all shareholders interested parties try the life-changing service today: <http://bit.ly/FreeGiftofEnergy>.

Forward-Looking Statements: Any statements made in this press release which are not historical facts contain certain forward-looking statements, as such term is defined in the Private Litigation Reform Act of 1995, concerning potential developments affecting the business, prospects, financial condition and other aspects of the company to which this release pertains. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results of the specific items described in this release, and the company's operations generally, to differ materially from what is projected in such forward-looking statements. Although such statements are based upon the best judgments of management of the company as of the date of this release, significant deviations in magnitude, timing and other factors may result from business risks and uncertainties including, without limitation, the company's need for additional financing, which is not assured and which may result in dilution of shareholders, the company's status as a small company with a limited operating history, dependence on third parties and the continuing popularity of the iOS operating system, general market and economic conditions, technical factors, receipt of revenues, and other factors, many of which are beyond the control of the company. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance, or achievements. Moreover, neither we nor any other person assumes responsibility for the accuracy and completeness of such statements, and we disclaim any obligation to update information contained in any forward looking statement.
