Adventure,

Mystery, Intrigue. A book passed down from generation to generation and is presented in this era. A story that is full of bravery and our beloved Pharaoh. Pharaoh was the victim of Moses and his God. In light of it, Marissa was a successful news anchor for ET News in Ramses, Egypt, and she wanted her story to be passed down and that is Miranda, her great, great, great-niece, and writer. She was supposed to be assigned to make a straightforward documentary about Moses. However, the story turned out to be more than any of them could have ever imagined.

Marissa's encounter with Moses, would not only change her life but that of all humanity forever.
