PRESS RELEASE | LONDON BOOK FAIR 2022

“The illustrations are the real strength of *The Just Visiting Cat*. Each is replete with animals and plants are drawn with detail, imagination, and animation. Many animals reappear, inviting the reader to keep watch for them: squirrels that run-up to the trees, shake hands or sport regal crowns; open-mouthed birds that converse or sing to one another; the family dachshund; and, of course, the big, fluffy cat. An interior scene and drawings of vehicles show a skilled grasp of perspective and underline the

impression that the depiction of the cat as very oversized is a conscious and effective decision on the part of the illustrator. This book is a charmer, with a real appeal not just for the picture-book crowd but also for cat-loving adults to read aloud.” — Blue Ink Review.

“This book is excellent for teachers who want to read aloud to class for filler time. And, children love to pick it out on their own during free-time reading for its highly original illustrations.” — Amazon customer review.

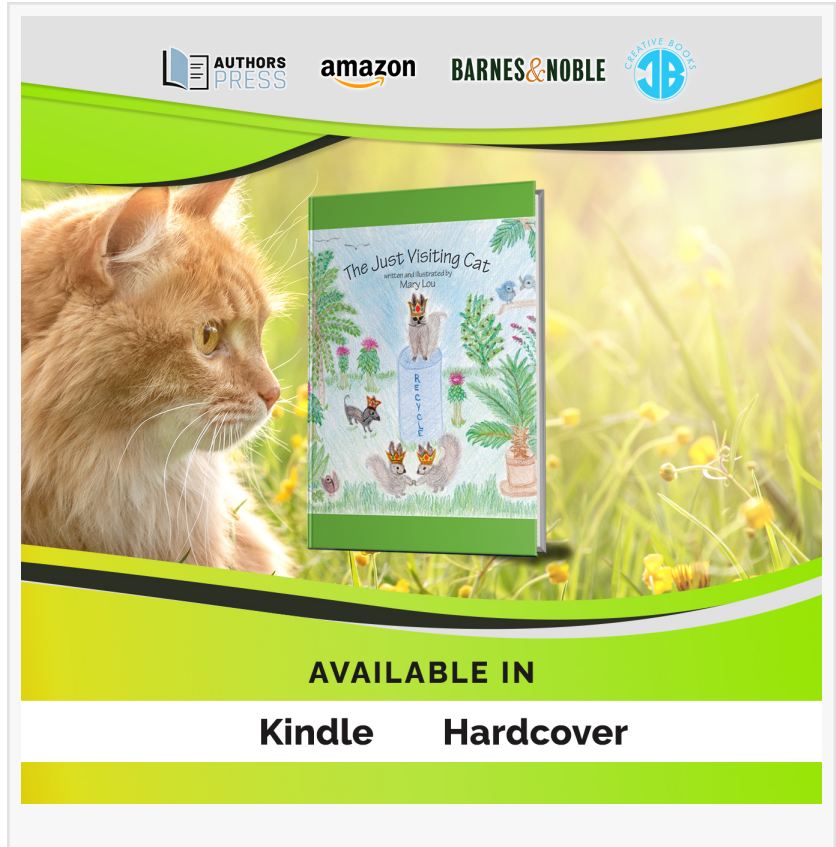

“

“A cat has absolute emotional honesty: human beings, for one reason or another, may hide

their feelings, but a cat does not.”

Ernest Hemingway

“This book is fun and engaging for young children, especially if they love cats! The illustrations

are fantastic as well.” — Amazon customer review.
